about us

FROM FARM TO DISH

We started in 1980 in Naples by opening our business in La Torretta market, a daily fresh market conveniently located in Mergellina district, the heart of yachts activity in town. We are a family-run business and our peculiarity is the passion we put in our job. When sourcing our products, we never compromise, looking only for the best and non-industrial food and wines, coming from hand-picked producers. We ensure that everything we provide our clients with is produced in an environmentally and socially responsible manner. Sustainability is high on our priority list and we decided long ago to work exclusively and directly with our farmers, butchers, bakers, winemakers and fishermen. Whether they be local or international, we know where our products are coming from and who is behind them, taking exceptional pride in that.
